

Preparing for your MRI Prostate Exam w & w/o contrast

- ✓ Nothing to eat 8 hours prior to your appointment
- ✓ You may take medications in the morning with a little bit of water
- ✓ If you are having a **Cyberknife** planning scan, you will be required to do an enema prior to arriving for your scan
- ✓ If you are anxious and/or claustrophobic, please make arrangements with your doctor for medication, and arrange for a family member or friend to drive you home after the exam
